

Skills Details

Event is rain or shine, if the weather is bad, we'll have an abbreviated set of skills indoors. We will provide 2-3 balls at the range for warm up-if you would like to hit more balls than that-you are responsible for buying your own bucket of balls. Skills will start promptly at noon-arrive early if you want to practice. You will need a club you use to fly 100 yards, a club for a short bunker shot, a club for a 24 foot chip, putter and 3 balls.

Check in will be inside between the pro shop and lounge entrance. Your scorecard will have a number on it-this corresponds to a number on a complimentary prize for you just for entering the event. Bring your scorecard with you to each area and have your score marked. There are 3 areas & 5 skills, Bunker & Chipping-2 skills, Putting-2 skills and Full Swing-1 skill. It doesn't matter which order you do the skills so long as you complete them all.

Once you are done, return your clubs to your car and proceed to the banquet room. Remember to bring your scorecard with you and turn it into Trudy. We will be selling raffle tickets for a basket of golf goodies and other items valued at \$275 retail. Tickets will be 1 for \$5 or 3 for \$10-100% of the proceeds will go into the Scholarship Fund.

We are lucky to have Kathy Mis leading our Rules clinic-this is an important year to discuss Rules as there are big changes. You will all receive the current Rules Book. There will be time to answer any Rules questions.

Our snack will consist of hot soup and finger sandwiches-water and coffee will be available-as well as a cash bar for all other beverages.

Winners will be announced-Trudy will have randomly drawn partners and the team with the most points will win. There is a prize for the medalist, and we are paying 6 places. Ties will be broken with points earned on the chipping skill, then the bunker shot, then the long putt.

Finally, the board will attempt to answer any questions you may have!

Thank you for your continued support!
