

Margaret Thomas

Hello everyone. I joined OSWGA a couple of years ago. I first played in your tournaments as a guest, then joined the following year. I enjoy your group and everything you do to promote women's golf. I know how difficult it is to run a smaller organization, and the work often falls on just a few people. I've served on several boards for nonprofit organizations and enjoy volunteering. If I can give back to the organization, I am happy to do so.
