

Trudy Dufault and Nathalie A. Price, two friends who shared success on the golf course, founded the Ocean State Women's Golf Association in 1995.

Their purpose was to promote friendly, competitive golf among all women, regardless of handicap, in Rhode Island.

Their intentions were to bring together women from the private and public sectors, establish a true Women's State Amateur Championship, and to be recognized by the USGA as the host association for all state level events.

OSWGA hosts weekly, competitive 18 hole tournaments in various formats on both public and private courses throughout Rhode Island, as well as in nearby Connecticut and Massachusetts.

We support a post-secondary Scholarship Fund to provide opportunities for growth and achievement for deserving young female golfers.

OSWGA members will be afforded the opportunity to play on the finest courses available while belonging to an association recognized for its integrity and equality.

SPECIAL NOTE

Several Tournaments listed as Mixed or 4 Female will also have a 2 Female Division.

Please look at the format for individual tournaments for further information.

MEMBERSHIP INFORMATION

Annual Membership

The application for membership is available on the website or you may contact any board member to have one mailed to you. Applications must be either postmarked, or received online, by April 1st of said year in order to be eligible for the Players' Championship and Player of the Year.

Your membership fee includes an invitation to our Annual Banquet, as our guest, held at the end of each season.

Five Dollars (\$5.00) from each membership goes to the Natalie A. Price Memorial Scholarship Fund, which offers financial assistance to post-secondary, female junior golfers.

Juniors

Junior Membership is free but an application must be filed annually. Juniors need not be active students to be eligible for Junior Membership as long as they meet the "under 21" age criteria. Juniors may compete in all tournaments for 1/2 the stated entry fee. Junior partners under 21 would also be extended the discounted rate. They will compete against the field. Parents are requested not to caddie. Spectators and family members are asked to stay off to the side and not interfere with play during matches.

Open Registration and Guest Policy

Please note that all events listed as Open events, as well as the Trudy Dufault Ryder Cup Championship, are open to all RI residents and any member of a club affiliated with the OSWGA. You do not have to be a member of the OSWGA to participate in these events; just pay the non-member fee listed. All events listed as Member events are open only to members, unless stated that you may bring a guest. The guest will pay the non-member fee listed for these tournaments.

TOURNAMENT INFORMATION

Tournament Entry

Players register by filling out an entry form with the required information and then submitting it either online or by mail, along with the required entry fee, at any time between the opening and closing dates of the tournament. If sending by mail, do not send cash. Send check or money order only with mailed entries.

If the event is for a two or four person team, then ALL names and ALL required information, along with the COMBINED entry fee, must be submitted at the same time. Any entry sent by mail and postmarked prior to the opening date will be returned.

If a player's handicap index is not from GHIN, she should instead include on the entry form the following: the name and address of her golf club or organization and the name of the handicap server.

PLEASE NOTE!

If any course restricts the number of players or tee times allotted, the following criteria/preferences will govern entry into tournaments:

1. Date the OSWGA receives paid, completed entry
2. Members of the OSWGA with the most seniority in the organization

No refunds or credits, with the following exceptions:

1. Cancellations received prior to the closing date of the tournament.
2. If any tournament has a waiting list and the cancelled entry can be replaced from the waiting list.
3. Cancellations made by the Tournament Course or OSWGA.

Player substitutions are allowed with 48 hours notice, and any subsequent exchange of entry fee must be handled by the players involved. OSWGA will not be responsible for any refund. Please be aware that the substitute must have an active USGA Handicap or will play at scratch.

Cancelled and Rescheduled Events

Cancellation of a tournament will occur only when a course is deemed unplayable by an authorized official of OSWGA or the pertinent course. The Pro Shop will be notified if a tournament is cancelled. If, upon calling, no decision has been made, please report to the course. When time allows, emails and/or texts will be sent to the registered players and notice posted on the OSWGA website. Information for any rescheduled event will also be posted on the web site. Those not able to play on the new date must contact the Tournament Director in the allotted time frame and their check will be destroyed, or online refund granted. If no contact is made, the player(s) will be listed in the revised pairings with attendance required, with no online refunds granted and mailed checks will be deposited.

Senior & Junior/Senior Tournaments Age Requirements

Age requirements will be determined as of the closing date of the tournament. Please refer to specific tournaments for age requirements.

Handicap Requirement and Determination

A USGA Handicap Index obtained from an authorized golf association licensed by the USGA to utilize the USGA Handicap System is mandatory for entering OSWGA competitions with adjusted strokes. Any participant without such a handicap will play at scratch. A player's Handicap Index will be determined as of the closing date of each tournament.

The OSWGA Handicap Committee has the responsibility of making certain that a player's USGA Handicap Index accurately reflects her potential playing ability. The OSWGA reserves the right to reduce a player's USGA Handicap Index in any and all OSWGA competitions after reviewing exceptional tournament

play. This stipulation shall be considered proper notice for all members (according to the USGA Handicap System). Further, the committee shall reduce or withdraw the handicap indexes of players who do not post all acceptable scores, or otherwise do not observe the spirit of the USGA Handicap System.

80% Handicap at a max of 40, with no more than 1 stroke on a Par 3, will be used at all tournaments unless otherwise noted.

Team events with a 10 stroke differential will be played at 100%, unless otherwise noted.

Handicap strokes for a 2 person team will be based on the lower player of the team.

Handicap strokes for a 4 person team will be based on the 2 lowest handicaps of the team.

Scramble handicap strokes for a 2 person team will be 1/3 of the lower handicap of the team.

Scramble handicap strokes for a 4 person team will be 1/4 of the lowest handicap of the team.

All 4 person teams must have a combined handicap of 25 or greater, unless otherwise noted.

Tournament Play Championships

All competition will be played in strict accordance with USGA rules except when specifically modified by the OSWGA.

Competitors must report to the registration table 30 minutes before tee time. No-shows, failure to turn in a scorecard or participants who fail to complete all scheduled rounds may be subject to exclusion from future tournaments by the committee. Carts are mandatory and included in YOUR entry fee in all events, unless otherwise stated. Choosing to walk does not discount your entry fee. Caddies are allowed in all events, but your caddie must walk and carry your bag. Do not turn in your card if you have any rules questions. Refer to the Rules Committee for guidance. Then check your score card, attest and

turn it in to the official scorer. Each player/team is responsible for the correctness of the score recorded for each hole. Any player/team who records a hole with a higher score than taken will have that score stand as recorded. Any player/team who records a lower score than that actually taken will be disqualified, UNLESS the score includes a penalty that was discovered only after they signed their card.

Participants are asked not to communicate with course management regarding questions or problems with a tournament. All communication should be directed to the TOURNAMENT COMMITTEE only!

Female players will use the women's forward tees unless otherwise noted. Male players will play from the men's forward tees unless otherwise noted.

Divisions, Flights and Pairings

The Tournament Director makes all Divisions, Flights and Pairings with the assistance of the Handicap Program. Additional factors include, but are not limited to: participation, budget and format.

Matching Cards

USGA guidelines will be applied as follows.

Individual medal play: For gross ties, cards will be matched by back nine, then back six, then back three and if need be, the eighteenth hole. For net ties, one half, one-third, one sixth of the handicaps will be deducted from the score for these holes. Fractions of one-half stroke or more will count as a full stroke.

Team events: For gross ties, cards will be matched the same as for medal play events. For net ties, cards will be matched starting with the #1 stroke hole, then the #2 stroke hole, etc. In the event that multiple formats are played within a tournament, cards will be matched on the best ball portion of the tournament.

Match play: the match will continue and the first player/team to win a hole will capture the match, unless otherwise noted.

Prize and Point Distribution

Tournament Prizes and Player of the Year Points will be awarded based on the size of the field and format of the tournament.

Tournament Score Posting

When applicable, the OSWGA will post the scores of member participants. Non-members are responsible for posting their own scores.

Take Strokes Off Your Golf Game

One of the best ways to take strokes off your golf game is to learn the USGA Rules of Golf. Reading the definitions is another helpful hint.

Ask us about how to get a copy of the current Rules of Golf.

POLICIES AND CODES

Conduct and Behavior

We are guests at these golf courses and we owe them common courtesy and respect. Members are accountable for themselves, family members, and guests. Boisterous behavior and/or profane language is not acceptable from anyone once they arrive at the course and until they leave. It is the responsibility of all members to continue an amiable and respectful relationship with these courses so that we may continue to play there in the future.

Golf is played with etiquette as recommended by the USGA and the rich heritage of golf. Thus, each player is expected to play fairly, quickly, and with full consideration to the enjoyment of the game for themselves, their fellow competitors and others who are enjoying the golf course.

Please feel free to thank course employees/management for their hospitality. Support the Pro Shop, Restaurant and Bar where available.

Tipping the bag staff is strongly encouraged. Suggested minimum is \$1.00 – 2.00 per bag.

New Cell Phone and Pager Policy

Use of cell phones and other communication devices are permitted during a round to check distances and hazards, and record scores on a Golf App. A player may not use the device to call or text for shot or swing advice, listen to music to improve swing tempo, calculate the effective distance, or read a green.

The device must be placed on silent mode.

USGA Rules pertaining to common courtesy and golf etiquette will apply to ensure that pace of play is not negatively affected and that no interference with the quality and enjoyment of other players in the tournament is permitted. This policy also applies to your caddie.

Some courses do not allow cell phone use in or near their clubhouse. We request that once you arrive at the course you place your phone in silent mode and/or turn it off completely. If you must talk, either before or after the tournament, we request that you do so in the parking lot only.

Dress Code

The OSWGA depends on its members to dress appropriately and in good taste. Proper attire specifically excludes the wearing of short shorts, shorts and pants with bulky cargo pockets, cut-offs, jeans/denim, tennis shorts, tee shirts, body shirts, swimsuits and sweatpants. A good rule of thumb: if you have to ask, it is probably not appropriate!

Pace of Play

Speed of play is a critical issue in golf. For purposes of preventing slow play, the Tournament Committee will strictly enforce the pace of play guidelines. This includes stroke penalties for initial offenses, and disqualification for continued offenses. It is the responsibility of all competitors to maintain pace with the group ahead of them, not the group behind them.

Care of the Golf Course

Carts may not be driven on the tees, greens or aprons, and should be parked a minimum of 15 yards away. Keep them out of the fescue and other natural grass areas. Obey all posted cart signs, roped off areas and only two passengers per cart are permitted. Replace all divots, rake all sand traps, and fix all ball marks on greens.

Handicap Cart Policy

Handicap Cart Privileges are extended to the players who are physically challenged and not to the additional riders in the group. Drivers must respect the course conditions at all times and may not drive between sand traps and the green, closer than 30 feet to the green, and into roped areas. Abuse of this accommodation may result in its revocation.

Lift, Clean, Place

Lift, Clean and Place local rules will be in effect for the month of April and when noted on your rule sheets or score cards.

Suggestions to improve the Pace of Play

Play ready golf

Pick up if you are out of the hole

Advance to the next tee, then mark your card

When in doubt, take several clubs with you

Execute your shot without delay

Limit practice swings to two

Observe cart signs

Drive promptly after shots

Leave your cart in position to exit the green

Fire away when you are ready on the tee

Prepare and know when it is your turn to hit

Keep the group ahead of you in sight

Awareness and cooperation is key

LOCAL RULES FOR OSWGA TOURNAMENTS

USGA rules govern all play along with the following local rules.

Additional rules may be on the rules sheet for each event.

Distance Measuring Devices

Distance Measuring Devices (DMD) are allowed to measure or gauge distance only. DMD's that are designed to measure or gauge other conditions that might affect a player's play (e.g. gradient, wind speed, temperature, etc.) are permitted, but those additional functions are not to be used during tournaments. This policy includes cell phone apps.

Stones in Bunkers

Stones in the bunkers are to be considered movable obstructions.

Embedded Ball

A ball embedded in its own pitch mark anywhere "through the green" (except the teeing areas and the putting green of the hole being played and any hazards on the course) may be lifted, cleaned and dropped within one club length from a point directly behind the ball.

Individual Course Rules

PLEASE NOTE: Some local rules at courses may not be applicable to OSWGA tournaments. However, the OSWGA will respect local rules that protect the golf course (e.g. environmentally sensitive areas, newly sodded areas, flower beds and staked young trees).

NEW AND NOTABLE USGA RULES

Last year brought a remarkable number of changes and clarifications in the USGA Rules of Golf. We cannot possibly list them all here and so we have provided a short list of those changes we think will be most often utilized in our tournaments.

We also strongly suggest getting your own copy of the complete rules and that you keep it handy in your golf bag.

PUTTING

Elimination of Ball Moved Penalties

No penalty for accidentally moving a ball on the putting green or if searching for a ball.

Can repair all marks and damage (except aeration holes)

No penalty for fixing spike marks or touching line of putt.

Flagstick can be left in hole while putting

No penalty for hitting flagstick whether in or out of the hole. Same is true if you accidentally hit yourself, your own equipment or your partner. Ball is considered holed if part of it lies below the surface.

BUNKERS AND HAZARDS AND PENALTY AREAS

Penalty Area is the new name for Water Hazards

They will still be defined as either yellow or red and the differences will mostly affect your opportunities for relief.

Clubs may be grounded in a Penalty Area

But not in a Bunker. A club cannot touch the sand during a practice or setup for your swing. There is no penalty if your club or hand touches the sand for balance or to remove a loose impediment. Also new - no penalty for double hits.

Balls are now dropped at knee height

From a standing position you bend over and release the ball at knee height.

BALLS: EMBEDDED, LOST AND DAMAGED

Relief Area for embedded balls

Relief for embedded balls now available throughout the General Area. One club length directly behind ball.

You now have only 3 minutes to search for lost balls

And if you did not already play a provisional, you may go back and play it now.

You can replace a cut or cracked ball

You don't have to announce you are inspecting it (must still be marked) and can replace it during a hole if damaged. Also, you can substitute a ball any time you take relief.

DO NOT WORRY ABOUT THE GROUP BEHIND YOU,
KEEP UP WITH THE GROUP IN FRONT OF YOU.

PLAYING FORMATS

Medal Play – Play and record your individual score.

Best Ball (2 or 4) – Team members play own ball through the hole and record for team scoring purposes the lower score(s) of the 2 or 4 players. Repeat on each hole.

Texas Scramble – Everyone drives, the team picks the best drive and everyone hits second ball at that location, and then plays their own ball the remainder of the hole. Repeat on each hole.

Texas Bramble – Everyone drives, the team picks the best drive and everyone hits a second ball at that location, then the team picks the best second shot and then each player plays their own ball the remainder of the hole. Repeat on each hole.

Scotch – Both players drive, pick best drive and then players alternate shots with that single ball the remainder of the hole. Repeat on each hole. So, if you drive, your partner hits 2nd shot.

Nassau, Quota, 1,2,3, etc – These are played like best ball and just scored differently on the team scorecard depending on the format.

LEGEND

Tournaments identified as:

Open tournaments are open to all female golfers. Women golfers who are not members of the OSWGA are invited and welcome to play and must pay any non-member entry fee posted. (See the individual tournament page for details.)

Member/Guest tournaments are open to OSWGA members and their guests. Guests are invited and welcome to play with a member. Guests must pay any non-member entry fee posted. (See the individual tournament page for details.)

Members Only tournaments are open to OSWGA members only. Guests are not eligible to play in these tournaments. (See the individual tournament page for details.)

OSWGA POINT SYSTEM

Player of the Year

Members are awarded points depending on how they finish in a given tournament. The member who earns the most points in the time frame specified yearly will be declared OSWGA Player of the Year. Members who have earned enough points to get them into the top twelve (and ties) will be invited to play in the Players' Championship. This event is a celebration of the season. Players will compete for the top gross and net prize and join the victors in a celebratory meal!

Points may be awarded depending on the prize structure of each tournament as listed on the next page. Should there be flights in a particular division due to the size, each flight will be awarded points in the same manner. Should there be ties by two or more teams, points will be awarded equally to each team, as if each team was in sole possession of that position. This is in contrast to the calculation for prize purposes, which will still be decided by matching cards rules otherwise described in this handbook.

In order to be eligible for points in a given year, participants must be OSWGA members in good standing as of April 1st of said year.

All members are awarded 75 points for entering a tournament.

Point totals end with the tournament on September 21st.

Points after September 21st are NOT carried over to the next year.

(Board members have opted to exclude themselves from the Players' Championship. They remain eligible for Player of the Year.)

HOLE # 15

Nathalie A. Price Memorial Scholarship Fund

The Nathalie A. Price Scholarship Fund was established in memory of our co-founder. Nathalie was an avid golfer who believed in equality for women golfers. Her most notable successes included breaking through barriers on the golf course as well as in life.

She will be remembered for her commitment to education and for establishing a women's division of the Public Links Championship in Rhode Island. Known by all as *The Legend*, Nathalie died in May of 1996, the second year of OSWGA existence. The scholarship fund will offer assistance to post-secondary, female junior golfers.

Recent Scholarship Recipients

- 2019** Alexis Florio – Columbia University
Megan Mahan – Rhode Island College
Olivia Murray – University of Rhode Island
- 2018** Alexis Florio – Columbia University

Trudy Dufault Service Award

The Trudy Dufault Service award is given in honor of OSWGA's Co-Founder and first President. The award is based upon dedication and commitment of time, energy and loyalty to the OSWGA, all attributes that are personified by Trudy Dufault. The award will be given every two years to someone who gives unselfishly to the continued growth and advancement of the association. The recipient will be chosen by the Executive Board based upon the recommendation of Trudy Dufault. It will be awarded at the Annual Meeting during even numbered years. The first recipient in 1996 was Trudy Dufault.
